VAIBHAV SUTAR

THIRD YEAR B. TECH | COMPUTER SCIENCE & ENGINEERING

✉ sutarvaibhav588@gmail.com   in https://www.linkedin.com/in/vaibhav-sutar/   📍 Shirpur, India

Education

B. Tech – Computer Science & Engineering

R. C. Patel Institute of Technology, Shirpur

📅 July 2020 – June 2024   📍 Shirpur, Maharashtra

🎓 **CGPA – 7.5/10**

Higher Secondary (HSC)

P. R. Ghogrey, Shirpur

📅 2019 – 2020   🎓 79 %

Secondary School (SSC)

P. B. M. Municipal Highschool, Shirpur

📅 2017 – 2018   🎓 88.80 %

Technical Skills

Programming Language: Core Java, C++

Web Dev: Javascript, ReactJS, NodeJS

Database: MySQL, MongoDB

Tools: GitHub, VSCode

Profiles

Codechef: LINK

Leetcode: LINK

Codeforce: LINK

GeeksForGeeks: LINK

Interests

- Problem Solving
- Technical Writing
- Reading

Certification

Problem Solving Hackerrank - Link

Backend Development with NodeJS - Link

Projects

Authentication System | Web

Tech Stack - NodeJS, MongoDB

○ GitHub

- Built a Authentication System where user first have to register then after login successfully he can access the dashboard.

- In the Front-end I have used **EJS.**

- Back-end is made using **NodeJS, ExpressJS**.

- For Database, **MongoDB** is used.

News Application | Android App

Tech Stack - Android Studio, Java

○ GitHub

- Developed an Android App to fetch the Data from **News API.**

- Here, we can Search any news and Filter the data by Category wise.

Sorting Algorithm Visualizer | Data Structure

Tech Stack – Javascript

○ GitHub

- Web Application to visualize Sorting Algorithm using random data.

- Implemented Bubble Sort, Selection Sort, Insertion Sort, Quick Sort and Merge Sort

Achievements

- Solved 500+ problem on different competitive platform.

- **CodeChef** Best Ranks

  — October 2022 - 211 / 12K+ (Starter)

  — November 2021 - 752 / 13K+ (Cook-off)

- **CodeForces** Best Ranks

  — Round #818 – 4164 / 25K+

  — Round #829 – 4236 / 30K+

- IICC Rank 11K with 90K Participants.
